

The Towne House was founded in 1950 by Silvio "Babe" D'Ignazio. It was only one small row house at the time, but new rooms were added over the years until the Towne House became what it is today, a Delaware Valley dining landmark known to generations of diners. Our goal from the beginning has been to provide quality food and fine spirits at an affordable price in a setting that is both unique and comfortable.

That continues to be our goal today. You owe it to yourself and your family to visit us soon.
